AGFR GOLF TOURNAMENT - NEWCASTLE 2016

MAJOR SPONSOR

We are pleased to announce that Bupa Dental have come on board as our Major Sponsor.

We greatly appreciate Bupa Dental's involvement in the 2016 AGFR Tournament and without their support in particular and the support of our other hole sponsors we would not be in a position to achieve our goal to raise \$20,000 for the Neo Natal Intensive care unit and the Kids for Cancer Unit at the John Hunter Hospital in Newcastle so we can purchase lights to assist Jaundiced babies plus assisting in the refurbishment of the Oncology unit at the John Hunter Hospital as well. This of course is over and above the \$5,000 which covers the John Hood AGFR Memorial Scholarship.

As part of Bupa's commitment to help make a difference to the health and care of Australians, they have taken a more active role to provide health and care services to help their customers achieve and maintain optimal health.

Oral health is one of the cornerstones of overall health. It is also an area of healthcare where prevention is key, and prevention as they say, is better than cure. By practicing simple habits you not only improve your oral health and hygiene, you can also prevent many dental problems from arising. You may also save yourself significant time and money down the line.

With the launch of Bupa Dental, Bupa aims to partner with their customers through their oral health journey. They provide extensive oral health services including preventive, restorative and cosmetic services to you and your family, with dentists you can trust. All Bupa Dental clinics have the latest in dental technology and facilities, and provide the great customer service that you have come to expect from Bupa.

By the end of 2015 Bupa Dental practices will have opened in Hobart, Adelaide, Brisbane and Sydney with many more openings planned for early 2016.

Bupa Dental clinics welcome all patients, regardless of health fund arrangements and are accredited (National Safety and Quality Health Service Standards) reinforcing their commitment to an outstanding customer experience.

Bupa Dental is another tangible way Bupa are helping people live longer, healthier and happier lives.

If you haven't already booked your accommodation or registered for the tournament in May we suggest you do it sooner rather than later.

Remember you have to be fully paid up by the 28th February 2016 to qualify for the early bird registration prize which is the refund of your registration fee.

Whilst we are not in School Holiday time we suggest you start planning now as Port Stephens area can become congested and we would hate you to miss out on good accommodation.
